

OLYMPIC CORPORATE CHALLENGE

On the 13th June, a sunny Friday afternoon, team 'Mayhem' took part in the Vantis Challenge Special Olympics.

Even though the fun event was to raise funds for two local charities, the races were taken very seriously by all participants and each event fiercely competed for.

Following a good start by team Mayhem they just managed not to come last. The outstanding achievements of the afternoon was Jessica Rigg's second place in the Egg & Spoon Race, David Stocker and Matthew Meynell's first place in the Wheelbarrow Race and again David Stockers brave participation in the Gladiator Dual. Bring on 2012!
